Dear Resident:

Beginning Friday, July 1, 2011, Ventana Homeowners Association will begin paying Waste Management to remove trash and recycling. Trash and recycling will be picked up on Fridays from now on beginning the first day of July, 2011. Please note the new pickup schedule. *Sorry for the late notice, but it was unavoidable.*

Enclosed you will find information from Waste Management about their service. If you have any questions about trash service requirements, please contact Waste Management for more information. Their number is (800) 596-7444.

The last week of the month trash will be picked up Monday, June 27, 2011 and then again Friday, July 1, 2011. This is the way it has to be, according to Waste Management.

The week of July 4<sup>th</sup>, trash will be picked up on Saturday, July 9, due to the Holiday. Trash will be picked up every Friday except for the holiday week, where it will be picked up the following day, Saturday morning. All residents are reminded to return trash containers behind sideyard gates or inside your garages Friday afternoon or Saturday afternoon when there's a holiday. Thank you very much.

Sincerely yours,
